FOR IMMEDIATE RELEASE

BAC Receives Award From Marine Corps League

BAC is a social enterprise dedicated to building communities that support members of unique abilities in growing their personal success.

Rockledge, FL – On February 18, 2023, State Commandant of the Department of Florida, Lieutenant Colonel Scott Westervelt (USMC, retired), was proud to recognize BAC along with BAC employee and past Brevard County Detachment 513 Marine Commandant, Vincent Howard, for their generous support and donation to the 2022 Marine Corps League National Convention held in August at the Daytona Beach Oceanfront Resort.

After a primary sponsor was unable to provide necessary supplies for the Marine Corps League's National Convention, Mr. Howard, inquired if his employer, BAC, could assist in providing the needed supplies on such short notice. With strong ties to the veteran community due to the nature of their work with Federal AbilityOne contracts, BAC, assembled a cross functional team that worked together to secure the supplies which Mr. Howard brought to the conference. As a result, "over 800 Marines and their families gathered in Daytona Beach, FL and enjoyed an outstanding and memorable visit to the Sunshine State. Your donation was inspirational and deeply appreciated by the members of the Department of Florida and the Marine Corps League," stated State Commandment Scott Westervelt.

The AbilityOne program network provides employment opportunities to approximately 40,000 people, the AbilityOne Program® is one of the largest sources of employment in the United States for people who are blind or have significant disabilities. Approximately 450 participating nonprofit agencies employed these individuals in 2019.

BAC is proud to be an AbilityOne program employer with dedicated teams of professionals providing a comprehensive range of solutions designed to meet the specific needs of their military, government and commercial customers in Florida, North Carolina, Virginia and Puerto Rico.

We do more so our customers can do more than they ever imagined!
