#### FOR IMMEDIATE RELEASE

### **Brevard Achievement Center Enterprises, LLC (BACE) Partners with Tessera to Provide Facility Maintenance Services at U.S. Coast Guard Training Center Yorktown**

*Setting the Standard for Quality, Efficiency, and Trusted Business Partnerships.*

**Rockledge, FL | October 1<sup>st</sup>, 2025** | Brevard Achievement Center Enterprises, LLC (BACE), a subsidiary of Brevard Achievement Center (BAC), proudly announces its partnership with Tessera on the AbilityOne® contract to deliver comprehensive Facilities Maintenance Services at the United States Coast Guard Training Center (TRACEN) in Yorktown, Virginia.

TRACEN Yorktown serves as a vital training hub for the U.S. Coast Guard, dedicated to its mission: “*Forge Today’s Force to Execute Tomorrow’s Mission.*” By supporting workforce performance and unit readiness, TRACEN ensures that graduates are “Semper Paratus” — always ready — to meet the challenges of today and tomorrow.

Under this new partnership, BACE will provide a full suite of Facility Maintenance Services to support the operational effectiveness of TRACEN Yorktown. The services include:

- Heating, Ventilation, and Air Conditioning (HVAC) Systems
- Electrical Systems
- Fire Alarm and Suppression Systems Equipment
- Food Service Equipment
- Custodial Services
- Building Structures
- Water Storage and Distribution Systems
- Sewer Systems
- Motor Vehicles
- Pest Control
- Refuse Collection and Disposal
- Grounds Maintenance Services
- Surfaced Area Maintenance

This work directly supports the Coast Guard's mission by ensuring that facilities remain safe, efficient, and fully operational, allowing service members to focus on their essential training and readiness.

**Amar Patel, President and CEO of BAC, expressed his enthusiasm for the partnership:**

*"We are honored to partner with Tessler in supporting the U.S. Coast Guard's mission at Training Center Yorktown. This contract is not only about maintaining facilities, but also about ensuring that Coast Guard members have the infrastructure and support they need to remain 'Always Ready' to meet today's challenges. At the same time, it advances the AbilityOne® Program's purpose of creating meaningful employment for individuals with disabilities and driving America's economic future while serving those who serve us."*

**Tessler's President & CEO, Jeff Dolven, echoed this sentiment, highlighting the broader impact of the partnership:** *"We are proud to welcome this high-integrity partner as we continue providing extraordinary service to the U.S. Coast Guard. This collaboration not only empowers excellence but also ensures Coast Guard personnel have the support and infrastructure they need to stay mission-ready. Just as importantly, it reinforces our commitment to creating meaningful employment opportunities for individuals with disabilities while serving those who serve our nation."*

This collaboration reflects BACE and BAC's continued commitment to excellence, innovation, and mission-driven service under the AbilityOne® Program, one of the nation's largest sources of employment for people with disabilities.

**About Brevard Achievement Center Enterprises, LLC (BACE)**

BACE is a subsidiary of Brevard Achievement Center (BAC), headquartered in Rockledge, Florida. BAC is a full-service contractor providing solutions that support warfighter readiness, space exploration, and our nation's veterans, while delivering critical value to the federal government and commercial markets. With a commitment to excellence and innovation, BAC offers trusted services in Manufacturing, Business IT, and Facilities Management, building partnerships that foster success.

**About Tessler**

Tessler is a national leader in facility management, manufacturing, vehicle maintenance, and warehousing. With more than 2,000 employees, Tessler supports federal, state, and local governments, all branches of the U.S. military, and leading corporations—while remaining deeply committed to its social purpose of creating meaningful employment opportunities for individuals with disabilities and Veterans.

Through partnerships with organizations like BACE, Tessler strengthens its ability to serve federal customers, advance national defense readiness, and empower excellence across every mission.
