

Air Dry Clay (Model Magic) Creations

With Patty Duffy

Supplies:

Model Magic: Red, White, and Blue

Ziplock Baggies to store opened clay if you need to finish later

Instructions:

Preview the two separate videos and decide what will work best for you and your students.

Color mixing and making hearts video lesson is more basic.

Creating the gnome is more advanced.

This might be great lessons to include some peer helpers if possible. Consider inviting your OT, too!

We hope you and your students enjoy creating art with air-dry clay!

Please share photos if you can!!

Bonus Air-Dry Clay Lesson

If you have any leftover air-dry clay, try making a simple pinch pot with your students!
