Proceeds from the event benefit programs and services that help people with disabilities achieve vocational and social independence.

Presented by Southern Janitor and Viera High School Student Government, "One Sweet Night" features over 20 national and local restaurants, bakeries and chocolatiers serving a variety of sweet and salty treats and coffees. This year's providers are: A New York Pizza House, A Slice of Heaven Cakes and Catering, BJs, CHOFFY, Dana's Cupcakes, Grills Seafood and Tiki Bar – Riverside, Grimaldi Candies, LongHorn Steakhouse – Merritt Island, Mimi's Café, Merri Cakes, Ossorio Bakery & Café, Red Lobster – Merritt Island, Sam's Club, Space Coast Convention Center/Holiday Inn Express, Starbucks, Sweets Revenge Bakery, The Bald Strawberry, The Melting Pot, The Sweetest Thing, The Tailored Cookie, Troisi Imports and Wee Bee Fine Foods. A unique chocolate-inspired libation in a complimentary glass, as well as other domestic and imported drinks, also will be available at the cash bar.

Guests can dance the calories away to live music provided by the Tampa-based Bay Kings Band. This group of professional musicians plays with artists like Michael Buble', Beck, Gotye, Alicia Keys and Stevie Wonder when not playing together. The event puts the "fun" in "fundraising" with its unique silent auction featuring over 75 displays that include items like two roundtrip tickets via Southwest Airlines, a Kate Spade "chocolate" tote, membership to the Foosaner Art Museum, passes to Walt Disney World, hotel stays and art. In addition, pottery and fused glass creations by BAC's artists with disabilities at Cogswell Street Station, the Center's art program, will be available for purchase. And for those wishing to simply make a direct and meaningful impact in support of BAC's clients, donations can be made at the "Sponsor A Client" table.
