OCTOBER 5TH 2022 MAXWELL C. KING CENTER MAIN STAGE

FEB MAR 28-02 9:15 AM - 1:15PM

Welcome to BAC's 9th Annual Performing Arts Showcase! Thank you for coming.

Today, performers from middle and high school Exceptional Student Education (ESE) classrooms in Brevard Public Schools, as well as two groups of adults from BAC's Adult Day Training program, step onto the King Center's main stage to either act, sing or dance thanks to the instruction they've received from local professional performance artists.

A special round of applause is extended to the dedicated members of BAC's Arts Advisory Council for their guidance in the continued production of this spectacular showcase.

Of course, it goes without saying that a lot of leg work goes into the coordination of the Showcase. For that, we sincerely thank our Arts Program Manager, Lee Sorensen, for her unwavering support of our arts for all.

We also would like to say "Bravo!" to our generous donors. This production would not be as spectacular as it is today without their gifts and encouragement of support. BAC is honored to again receive the support of

Sky Advertising, who will make this entire production available online. Please look to social media and our website for more information in the coming days.

social BAC is a enterprise dedicated to building communities that support members of unique abilities in arowing their own personal success. The experience and opportunity that this event provides to our participants and those in our community, is a core service to our enrichment services, which you can become involved in or can support by visiting bacemploy.com
