BAC's 12th Annual Performing Arts Showcase

WELCOME!

We are so pleased to have you with us today as we celebrate the talent and creativity of our community. Each year, this showcase provides an opportunity for students and adults of unique abilities to step into the spotlight and share their gifts through music, dance, and performance.

Performers from Brevard Public Schools' Exceptional Student Education (ESE) classrooms and BAC's Adult Day Training program have been working alongside professional artists to prepare each of the acts you'll enjoy today. Their hard work, courage, and joy remind us that the arts truly bring people together.

This year is especially meaningful, as it marks **Lee Sorensen's final year leading the Performing Arts Showcase.** For more than a decade, Lee's leadership and vision have shaped this event into what it is today, an inspiring tradition that uplifts performers and audiences alike. Her legacy will continue to shine through the creativity, confidence, and community built on this stage.

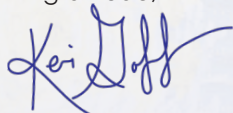

We extend our sincere thanks to the members of BAC's Arts Committee for their continued dedication and for their tireless efforts to ensure this year's

showcase is a success. We are also grateful to our generous donors, whose support makes it possible for us to provide this life-changing experience. A special thank you goes to Sky Advertising for capturing today's performance and making it available online in the days to come.

At BAC, our vision is to build communities where individuals of unique abilities can thrive. The Performing Arts Showcase is one of the many ways we fulfill that goal, and we are proud to share it with you today. To learn more about our programs and how you can support them, please visit **bacemploy.com**.

On behalf of everyone at BAC, thank you for joining us for this special day. We invite you to sit back, cheer loudly, and enjoy the 12th Annual Performing Arts Showcase.

With gratitude,

Keri Goff,
